

Prof. K. Uma Maheshwar Rao (Director) and Dr. Prasanna B.D, with Thai interns

Four students from Mahidol University Kanchanaburi campus, Thailand, successfully completed one month internship (14th February to 15th March, 2019) under the guidance of Dr. Prasanna B. D, Associate Professor, Chemical Engineering Department. This student internship was part of MOU signed between NITK Surathkal & Mahidol University Kanchanaburi campus and ASEAN-India collaborative R&D program funded by DST, Govt. of India.
