

R&D Project Sanctioned by Ministry of Mines- Govt. of India

Title of the Project: Definition of delay sequencing in the blast designs using advance analytical techniques for optimization of blast fragmentation and improving mine economics in non-coal mines.

Project No: SNTMOM/67/2020

Funding Agency: Ministry of Mines (MoM) – Govt. of India

Amount: Rs. 40.0Lakhs from MoM & Industry contribution - MSPL Limited Rs. 2.0Lakhs

Participating Organizations: (1) Central Institute of Mining & Fuel Research-Nagpur
(CSIR Lab)

PI: Dr. A.K. Raina

(2) National Institute of Technology Karnataka, Surathkal

PI: Dr. Karra Ram Chandar

(3) Anna University

Dr. P. Balamadeswaran
