Dear Sir/Madam,

Greetings from SPARC team!

We are pleased to inform you that the SPARC Apex committee has decided to approve the following proposal for funding in principle. This is subject to the budget being finally approved strictly as per SPARC norms.

ID: 1575

Title: Evaluating the potential of circular agri-food systems on improving the socio-economic conditions of farmers

You can also check the status from the SPARC proposal management portal and fill up detailed budget. Please fill up detailed budget of your project through SPARC login after which Sanction letter of SPARC proposal will be sent.

Further details will be communicated to you through a separate email.

The review details are given below.

=====
=====

Reviewer #1

Relevance of the Proposal (On a scale of 1 to 5): 4
Quality of Technical content (On a scale of 1 to 5): 4
Expertise of Indian PI & Co-PI(s) (On a scale of 1 to 5): 5
Expertise of International PI & Co-PI(s) (On a scale of 1 to 5): 5
Quality of Monograph (On a scale of 1 to 5): 4
Suitability of Budget (On a scale of 1 to 5): 4
Overall comments on the proposal: The research proposal is worth support.

Reviewer #2

Relevance of the Proposal (On a scale of 1 to 5): 5
Quality of Technical content (On a scale of 1 to 5): 4
Expertise of Indian PI & Co-PI(s) (On a scale of 1 to 5): 5
Expertise of International PI & Co-PI(s) (On a scale of 1 to 5): 5
Quality of Monograph (On a scale of 1 to 5): 4
Suitability of Budget (On a scale of 1 to 5): 4
Overall comments on the proposal: May be the techno-economic aspects (TEA) of the study could also be considered and it will add value to the findings. The PIs from both the side have very much competitive and may deliver excellent role model for the proposal mentioned.
